THE LOSS

Date of loss: **6 November 2025**
Time of loss: **07:52 MST**
Loss location: **4840 North Eagle Ridge Boulevard, Boise, ID 83713 — Building 02**
Country: **United States**
Cause of loss: **Impact by vehicle — pickup through the anchor storefront**

Description of loss:

A 2016 Ford F-250 travelling through the parking field accelerated across four parking rows and struck the storefront of Building 02, the anchor space. The vehicle penetrated the glazing and the aluminium storefront framing and came to rest about eleven feet inside the sales floor. The driver, aged 78, was extracted by Boise Fire; the police report indicates a suspected medical event and records no evidence of impairment. A sprinkler head was struck and discharged before the fire department isolated the system.

Property affected:

34 linear feet of aluminium storefront framing, nine glazing panels and two automatic sliding door assemblies; a bearing storefront mullion and 26 feet of entry canopy, now shored; two bollards; entry vestibule finishes; one sprinkler head and fire alarm devices; sign band; two parking lot light standards

Injuries: **2**
Fatalities: **0**
Business interruption: **Yes — the anchor tenant has been closed since the incident**
Structural damage: **Yes — a bearing mullion lost, entry canopy temporarily shored**
Environmental exposure: **No**
