THE LOSS

Date of loss: **14 March 2026**
Time of loss: **07:48 EDT**
Loss location: **Ballenger Creek Pike at Elmer Derr Road, Frederick, MD 21703**
Country: **United States**
Cause of loss: **Collision — avoiding action, trailer jackknife and departure from the roadway**

Description of loss:

The insured's F-550 dump body was towing an equipment trailer carrying a compact track loader and a walk-behind trencher to a residential job. A passenger vehicle pulled out without stopping, the driver braked hard, the trailer jackknifed and the combination left the roadway. The truck sheared a utility pole and came to rest against the corner of a commercial building. The trailer overturned and the track loader was thrown clear.

Property affected:

2021 Ford F-550 dump body, likely total loss; a 20 ft equipment trailer; a Bobcat T770 compact track loader; a walk-behind trencher; a third party's building corner, roll-up door and storefront; a utility pole, transformer and conductor

Injuries: **1**
Fatalities: **0**
Business interruption: **Yes — the third-party auto and tyre business was closed four days**
Structural damage: **Yes — third party's building corner masonry and roll-up door**
Environmental exposure: **Yes — approximately 40 gallons of diesel and hydraulic fluid released**

FINANCIAL

Currency: **USD**
Estimated loss: **320,000**
Repair estimate: **153,400**

ADDITIONAL

Incident reference: **LLG-2026-0314**
Police reference: **MSP-2026-0341**
Authorities involved: **Maryland State Police; Maryland Department of the Environment; Potomac Edison**
Potential litigation: **Possible — unidentified third-party vehicle, citation pending**
