SECTION X - CONDITIONS AND CLAIM REPORTING REQUIREMENTS

1. DUTIES IN THE EVENT OF LOSS OR DAMAGE. The insured must see that the following are done:
 - a. Notify the police if a law may have been broken.
 - b. Give us prompt notice of the loss or damage, and in no event later than thirty (30) days after the insured knew or reasonably should have known of the loss. Notice must include a description of the property involved and the time, place and circumstances of the loss.

claims@meridianatlantic-ins.example | 24-Hour First Notice: (877) 555-0410

Reference the policy number shown in the Declarations on all correspondence.
 - c. Take all reasonable steps to protect the Covered Property from further damage, and keep a record of expenses necessary to protect the property. We will pay reasonable protective expenses; this does not increase the Limit of Insurance.
 - d. Permit us to inspect the property and records proving the loss, and cooperate with the investigation.
 - e. Submit a signed, sworn Proof of Loss within sixty (60) days of our request, containing the information we request to investigate the claim.
 - f. Not, except at the insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense other than for first aid or emergency mitigation.
2. APPRAISAL. If we and the insured disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss, each party selecting a competent and impartial appraiser, with an umpire selected by the two appraisers.
3. LOSS PAYMENT. We will pay for covered loss within thirty (30) days after we receive the sworn Proof of Loss, provided the amount of loss has been agreed or an appraisal award has been made.
4. LEGAL ACTION AGAINST US. No one may bring a legal action against us unless there has been full compliance with the policy terms and the action is brought within two (2) years after the date on which the direct physical loss or damage occurred.
5. OTHER INSURANCE. This insurance is excess over any other insurance covering the same loss, whether collectible or not, except insurance written specifically as excess of the limits of this policy.

If the building has been vacant for more than sixty (60) consecutive days before a loss, we will not pay for loss caused by vandalism, sprinkler leakage (unless the system was protected against freezing), building glass breakage, water damage, theft or attempted theft; and we will reduce the amount we would otherwise pay for any other covered loss by 15%.
7. SUBROGATION. If any person or organization to or for whom we make payment has rights to recover damages from another, those rights are transferred to us. The insured may waive those rights in writing prior to loss without prejudicing this insurance.
