EXCLUSIONS (abridged)

We will not pay for loss or damage caused directly or indirectly by:

1. Flood, surface water, waves, storm surge, or water that backs up from a sewer or drain (backup written back at the sublimit shown), or water under the ground surface pressing on foundations or floors.
2. Earth movement, other than as provided by the Earthquake endorsement, which insures shock and ensuing fire only and excludes damage to swimming pools, retaining walls, fences and paved surfaces.
3. Wear and tear, gradual deterioration, settling, cracking, shrinking, bulging or expansion of pavements, foundations, walls, floors, roofs or ceilings.
4. Marring, scratching, and cosmetic damage to roof surfacing that does not compromise the water-shedding function of the roof (End. HAB-COS 315, Cosmetic Damage Exclusion - Roof Surfacing).
5. Faulty, inadequate or defective design, workmanship, repair, construction, materials or maintenance; however, ensuing loss from a Covered Cause of Loss is insured.
6. Continuous or repeated seepage or leakage of water, or presence of humidity or condensation, occurring over a period of 14 days or more, whether or not the insured was aware of it.
7. Fungus, wet rot, dry rot, bacteria, mold or mildew, except to the limited extent provided by Endorsement HAB-FUN 140.
8. Theft or dishonest acts by any insured, any tenant, or any person to whom the property is entrusted.
9. Damage caused by animals, birds, vermin, rodents, insects or domestic pets.
10. Loss to property while in the course of construction of a new building or structure. Renovation of an existing insured building is covered up to \$ 500,000 of contract value; larger projects require a separate builder's risk policy.
11. War, terrorism (unless TRIA coverage is accepted), nuclear hazard and governmental action.
12. Communicable disease, virus and bacteria - loss of use, contamination, decontamination and business interruption arising therefrom (End. HAB-CD 410).
